He resumed charge of his Office on the 12th February 1929. The Comptroller has raised an objection that the period from the 20th December 1928 to 11th February 1929 is not covered by existing sanctions and states that further sanction of Government should be obtained for the same. I enclose herewith a letter from the Comptroller in the matter.

The necessity for extending the period of the deputation has been explained in detail in the letter of the Assistant Superintendent of Sericulture a copy of which is herewith enclosed for favour of information. Under the circumstances explained by the Assistant Superintendent of Sericulture, I beg to recommend that the extension of the deputation up to the 11th February 1929 may be kindly sanctioned
